

Dick Koekemoer

Relocated from South Africa to Austria end 1996 due to professional reasons.  
Worked for Volkswagen of South-Africa and IBM, Central Europe Middle East Africa  
and Austria respectively.

As of 2004 I am an entrepreneur and have my own company called Business  
Integration Services ([www.bisonline.at](http://www.bisonline.at)) and ([www.dk9.at](http://www.dk9.at)) based in Burgenland.

My immediate ambition is to strive to be successful in whatever I do. I strongly  
believe that personal knowledge of the content of a particular activity is vital, but what  
I think is more important is the commitment and determination shown in confronting  
that particular activity.

I am a keen golfer and a member of the Csärda Golf Club as well as a member of the  
Campagne Reiter Club Neusiedler Csärda .
