

AUSTRIAN-SOUTH AFRICAN SOCIETY FRIENDS OF SOUTH AFRICA

Friends of South Africa (FoSA) was established in March 2002. FoSA is an association without political or religious affiliations and consists of various nationalities, but in particular Austrians and South Africans, who share an interest in the Republic of South Africa.

FoSA organises social events and activities showcasing typical South African culture, cuisine, art, crafts and entertainment. It is a dynamic, non-profit association with a board and working groups. It operates on the basis of membership fees and income from events.

Membership is voluntary and a nominal annual membership fee applies. Registered members enjoy benefits such as gifts and discounts at partner stores. Members and friends are kept informed of local news, networking, sports and social events via email and a regular newsletter which also provides general information regarding settling and living in Austria.

Funds raised from events and donations are given to various charity organisations in South Africa which help make a practical difference to the lives of South Africans.
